**Final Terms**

**EUROPEAN INVESTMENT BANK  
Debt Issuance Programme**

Issue Number: 2576/0100

**PLN 600,000,000 7.000 per cent. Bonds due 25th September, 2025**

Issue Price: 99.693 per cent.

**Bank Handlowy w Warszawie S.A.**

The date of these Final Terms is 30th September, 2022.

These Final Terms, under which the bonds described herein (the **Bonds**) are issued, are supplemental to, and should be read in conjunction with, the offering circular (the **Offering Circular**) dated 8th December, 2014 issued in relation to the debt issuance programme of European Investment Bank (**EIB**). The Bonds will be issued on the terms of these Final Terms read together with the Offering Circular. Terms defined in the Offering Circular have the same meaning in these Final Terms.

EIB accepts responsibility for the information contained in these Final Terms which, when read together with the Offering Circular, contain all information that is material in the context of the issue of the Bonds.

These Final Terms do not constitute an offer of, or an invitation by or on behalf of anyone to subscribe or purchase any of, the Bonds.

The Bonds shall not be offered or sold to any Russian or Belarusian person or entity if and to the extent that this would contravene any applicable restriction under sanctions imposed by the European Union (as may be amended, supplemented, replaced or superseded from time to time).

The EIB does not fall under the scope of application of the MiFID II package. Consequently, the EIB does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Bonds (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

For the purposes of this provision, the expression **manufacturer** means the Relevant Dealer and the expression **MiFID II** means Directive 2014/65/EU, as amended.
